Your answer

Students have to take three optional papers. Each optional paper has a limit of 100 students. If an optional is not available as the first choice, it might be available as second or third choice. The optional papers are available on a first come first serve basis. An optional paper will no longer be available once it gets 100 students.

You can ONLY choose ONE paper from each Group No. G1, G2, G3, G4, G5, G6 and G7.
[Example: If you choose A1, then you CANNOT choose B1 OR C1. However, you are free to choose any other optional paper.]

Though you can choose more papers from Groups A, B and C you may choose to specialize in any one stream (Group A- Political Theory/Thought, Group B-Public Administration/Indian Politics; and Group C-Comparative Politics/International Relations).

SAMPLE FORM
